MAYOR PRODUCTIVIDAD HIGHER PRODUCTIVITY

Desde la constitución de la firma DUALGRES, en 1994, las constantes innovaciones tecnológicas y las inversiones de nuevos equipos en nuestra planta de producción, se han reflejado en un aumento de nuestra productividad y competitividad.

Since the establishment of the firm DUALGRES, in 1994, the constant technological innovations and investments of new equipment in our production plant have been reflected in an increase in our productivity and competitiveness.

POLITICA MEDIOAMBIENTAL

**ENVIRONMENTAL
POLICY**

DUALGRES es consciente de la actual y creciente problemática medioambiental; por lo cual, tenemos el firme compromiso de que todas nuestras actividades sean respetuosas con la protección y conservación del Medio Ambiente, lo que se traduce, en el ámbito medioambiental, en menores emisiones y mayor eficiencia en la producción y uso de la energía, así como en el cumplimiento de la normativa ambiental y en la aplicación de las mejores prácticas medioambientales disponibles. Esto se aplicará a todas y cada una de las áreas que conforman Dualgres.

Dualgres se compromete a promover la innovación, la ecoeficiencia y la reducción progresiva de los impactos ambientales que sus actividades generen.

En este sentido tenemos el objetivo de reducción gradual de la intensidad de emisiones de gases de efecto invernadero así como la optimización de la gestión del agua, residuos peligrosos y no peligrosos a través de sistemas implantados que fijan objetivos y metas sobre, entre otros aspectos, la reducción de residuos, el uso de buenas prácticas en el uso del agua y la utilización de materiales reciclados.

Para lograr la puesta en práctica de estos compromisos nos guiaremos por los siguientes principios básicos de actuación:

- Cumplimiento normativa ambiental vigente.
- Control y evaluación riesgos medioambientales.
- Establecimiento de indicadores medioambientales.
- Prevención de riesgos.
- Desarrollo de planes y programas que establezcan objetivos y metas.
- Planes de emergencia.
- Utilización mejores técnicas disponibles.
- Informar, formar e implicar a todos los empleados.

At DUALGRES we are aware and concerned about all the environmental issues that we are facing nowadays. We are committed to reduce our direct impact on the environment on all our activities, lowering our emissions and achieving a better and more efficient use of the energy on every one of our production activities, in compliance with the environmental regulations and best practices available.

DUALGRES is committed to promoting innovation, eco-efficiency and the progressive reduction of any environmental impact that our production activities could generate. We are actively pursuing environmental protection activities by gradually reducing greenhouse emissions, optimizing water management hazardous and on-hazardous waste management and waste reduction by using recycled material.

To achieve the implementation of these commitments we follow these basic principles:

- *Compliance with current environmental regulations.*
- *Control and evaluation of environmental risks.*
- *Set key environmental indicators.*
- *Risk prevention.*
- *Development of plans and programs to achieve our objectives and goals.*
- *Emergency plans.*
- *Use of the best techniques available.*
- *Inform, train and involve all our employees in environmental conversation.*

The image features a background of light-colored marble with intricate, swirling patterns in shades of beige, cream, and light brown. A semi-transparent, light beige horizontal band is centered across the image, containing the text. The text is arranged in two lines: the top line reads 'MARMOL' in a tall, thin, sans-serif font, and the bottom line reads 'MARBLE' in a bold, thick, sans-serif font. A thin horizontal line is positioned just below the 'MARMOL' text.

REAL
ANTIC

The background features a warm, brownish-gold color palette with a subtle, textured paper-like appearance. Overlaid on this are several thin, gold-colored lines that intersect to form a grid of squares and rectangles, some of which are rotated at an angle. A semi-transparent, light-colored horizontal band runs across the middle of the image, serving as a backdrop for the text.
